## High Desert Gardening Classes Start January 30th

High Desert Gardening will be presented in the MountainView ballroom west, at SaddleBrooke MountainView Clubhouse. Tuesdays 10:00 a.m. to noon, for **six weeks starting January 30, 2018**; registration required.

Once again, due to popular demand, your Master Gardeners will be offering a six-week mini course to help residents resolve basic gardening issues along with gaining new information about how to succeed at gardening and proper landscaping in the high desert of SaddleBrooke and SaddleBrooke Ranch.

All residents of SaddleBrooke and SaddleBrooke Ranch are invited to attend. There is no fee. For info and registration go to <http://saddlebrookemastergardeners.org/minicourse.htm>, or call Linda Vautrin-Hale at 520-825-2569. There is limited seating, so you must register in advance.
