

Community Church Rescues Medical Equipment Loan Program

For many years, going way back to the “Care and Share” program, there has been a free short term medical equipment loan program in SaddleBrooke. Recently it was about to come to an end because of the lack of storage space and volunteers. Fortunately, the Community Church at SaddleBrooke has stepped into the breach to rescue the program and continue this valuable community service.

SaddleBrooke and SaddleBrooke Ranch residents may participate in this free program. There is a limited amount of equipment available such as walkers, crutches, canes, and wheelchairs for resident and resident-guest use.

The following five conditions apply: (1) you must be a full or part-time resident of SaddleBrooke or SB Ranch, (2) the loan period is for no more than *90 days*, (3) you must provide for pick-up and return of the item(s) borrowed, (4) you must return the item(s) in a clean, re-useable condition, and (5) *you must agree to the terms and conditions indicated in the loan agreement and in the release form*

If you agree to these conditions and wish to make use of this great program, please contact the Community Church at SaddleBrooke at 825-5394 for further specifics and to arrange for the pick-up of the item(s) at the church’s Parish House. Church office hours are 9:00 to 12:30 Monday through Friday. You can also leave a voice message or e-mail the church at office@communitychurchsaddlebrooke.com .

The Community Church at SaddleBrooke is an All-Denominational church that meets at 8:30 AM each Sunday at the Desert View Theater in Saddlebrooke. Everyone is welcome.
